COVID 19 Precautions

Programming will follow Stage 3 guidelines provided by Alberta Health Services.

- All racers/volunteers/spectators must carry a mask with them to use in a situation where physical distancing cannot occur. Masks are recommended while accessing building facilities.
- Where possible, consider giving yourself and each other 2 metres of distance.
- All participants must complete the Alberta Health Safety Checklist before taking part. [AHS Daily covid-19 Checklist](#)
- Anyone who has been in recent contact with someone with symptoms of COVID-19 may not participate or attend any events.
- Please stay at home if you are experiencing symptoms of COVID-19.
- Riders must wear masks before approaching and while interacting with staff, race officials and volunteers if they cannot maintain a minimum 2m distance.
- All riders and volunteers must bring their own food and drinks.

- Failure to comply with AHS/ABA regulations and/or the instructions of an official will result in removal from the event and may result in further sanctions, penalties or fines.
- For everyone's safety and comfort, all Holders will be required to wear masks.

These precautions are in place to protect all participants and officials as everyone has a different level of risk and comfort as we progress to a back to near normal race year. We hope these guidelines will help to alleviate concerns and/or differing opinions around stages of protection from the current pandemic.

Air Quality Health Index (Smoke Conditions)

If at any point where a decision is to be made regarding postponing, shortening or cancelling a race, the decision will be made by the Chief Commissaire, ABA Technical Delegate and the Race Organizer. If they choose to start an event, either on time or through postponement, the race may still be cancelled at anytime if the conditions become dangerous by either their decision, or the air quality reading becomes 7 or higher.
